The screenshot shows the eAs system interface. At the top, there's a navigation bar with links for Master, Fee Schedule, Case Details, Manage Video Hearings, and Reports. The Reports section is currently active, indicated by a blue bar. A sub-menu for 'Reports' is open, listing various report types: Claimants Registration Report, Respondant Information Report, Invoice Report, Claim Notice Report, Claim Petition Report, Hearing Conversation Report, Video Conference Report, MIS Reports (which is highlighted with a red box), Claimant Details Report, Respondent Details Report, Claim Notice Report, Counter Claim Report, and Claim Petition Report. Below the navigation bar, there's a dashboard section with a bar chart titled 'Current Year - M' showing new claims every month: January (approx. \$4,000), February (approx. \$5,000), and March (approx. \$6,000). To the left of the chart, it says 'NEW CLAIMS EVERY MONTH' and '120'. At the bottom of the page, there's a footer with the URL 'ttci-uat.com:1001/home#' and the copyright notice 'Copyright © Lexquisite, 2021'. There's also a blue speech bubble icon in the bottom right corner.
